

You are invited to

**'A Day in the Life of Year F, 1, 2, 3, 4, 5 or 6'
Information Session for Parents/Carers**

Wednesday 20th September 2023

At 5:30-6:00pm, and repeated at 6:05-6:35pm

**What did you get up
to at school today?**

**Hmm! ...
I can't remember...**

At the start of each academic year, we provide an invaluable opportunity for Parents/Carers to meet their child's Year Group staff, receive important information about the year ahead and have any questions answered.

As the children progress through the years, the curriculum expectations increase. Staff will explain what a typical week of learning looks like including the morning and lunch routines. They will cover the expectations in reading, spelling, writing and maths, a curriculum overview including key dates and messages, a theme learning overview and how to support your child with home learning.

We look forward to welcoming you into school and hope to see as many of you as possible! Cornelius Drive and Burnside entrances will be open for access.

The 6:05pm session is a repeat of the 5:30pm session to enable those Parents/Carers who prefer to attend at the later time and/or have more than one year group to visit. These sessions are not aimed at children but if you do need to bring your child, they will need to remain with you at all times. Thank you 😊
