June 2021

Dear Parents,

Key Stage 2 Olympic Themed Sports Day – 6th July

As communicated in the April edition of our Noticeboard newsletter, this year, due to COVID-19, we will be organising a range of sporting events and activities for our learners as an alternative to our annual whole school sports day. Regrettably, following the advice we have been given, we will not be inviting parents to join us for this and appreciate that this may be disappointing. However, we will ensure that plenty of photographs are taken and added to our website for you to enjoy.

Throughout the morning, the children will compete in 8 events in their year group bubbles, representing one of the five countries:

USA	GB	Australia	South Africa	Brazil
-----	----	-----------	--------------	--------

A text message will be sent out, no later than Monday 28th June, to notify parents of the country and team colour that their child will be representing. If you are unable to source a T-shirt in the team colour, a piece of coloured ribbon can be attached to their usual P.E. t-shirt. Please ensure that your child is wearing suitable sports clothing and trainers.

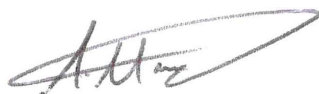

The programme is as follows:

8:45am	Morning registration	
9:00am to 9:15am	Children make their way out to their starting event in their year group bubble	
9:15am	Sports Day begins	
Events	Children will move around the 8 different events in their bubble with their class teacher	
	50m Sprint	Ladder Race
	50m Hurdles	Javelin
	50m Relay	Standing Long Jump
	50m Skipping	Water Shift
Phase Finals	Running Races (Girls and Boys in Years 3 to 6 race separately)	
11:45am to 12:00 midday	Results	

The events will be a combination of individual races and team challenges. The 1st place winners in the running races will then go forward to compete in their phase final. Meanwhile, the results from each event will accumulate and be combined with Key Stage 1 results from 5th July, so that the winning country can be announced at the end of the Key Stage 2 Olympic Themed Sports Day, and added to our Sport's Day shield.

In the event of hot weather on the day, **we would ask that all children have a sun hat and that sun cream is applied** before school. We also request as always, that every child brings **a named water bottle** - we will be providing water dispensers to ensure that the children can drink plenty to keep them hydrated. In the event that rain is forecast, we will carry out a risk assessment and let parents know, as early as possible, if we are forced to cancel. The long range forecast is dry, for now! ☺

Yours sincerely

Mr Young and Mr Murray
Sports Day Co-ordinators
