20th July 2020

Dear Parent or Carer,

Wraparound Care

As we plan for a full re-opening to all children in September, we are aware that some working parents will require wraparound care. As you know, coronavirus (COVID-19) protective measures will still need to be applied in line with current Government guidance.

Breakfast Club

Our breakfast club provision will be available each weekday, in the hall, from 7:45am to 8:30am for £3.00 per child per session **from Monday, 7th September 2020**. Initially, places will be limited to 30 per session and children will be grouped by year group into a bubble: Year F, Years 1&2, Years 3&4 and Years 5&6.

To book a place, please complete the online form, via our website:

<https://www.queensinclosure.hants.sch.uk/form/?pid=9&form=274>

As previously, this provision does not include breakfast; if parents wish, they are welcome to provide their child with a healthy breakfast snack.

After School Childcare

We have been informed by Horndean Express that they are unable to offer an after school service whilst the Government protective measures are in place due to lack of resources. They will contact us when they are able to resume their service. Fortunately, Growing Places are able to continue their after school provision and have capacity for new registrations. For additional information, please contact Jackie Warren (CEO / Group Manager) on 07809440773 or email manager@growingplaces.org.uk.

After School Clubs

We will not currently be running any after school clubs during the autumn term. This is in line with the guidance for our P.E. curriculum, which still has restrictions in place. We will liaise with our club providers, once we have settled into the new school year, and review this in line with current Government guidance in readiness for the spring term.

Yours sincerely

Mrs J Allen
Headteacher
