

Are you interested in finding out about Autism?

Do you think your child may have autistic traits?

Perhaps your child already has a diagnosis of Autism and you are still learning the best way to support them?

**You are invited to our
Autism Information Session for Parents/Carers
Wednesday 30th November 2022
2:30pm – 3:15pm in the hall**

We are delighted to have arranged an informal Autism Information Session with David Boxall, who has a Masters Degree in Autism and has worked as an Educational Advisor for Portsmouth City Council and Autism Hampshire. He is also a parent of a child with an autism diagnosis.

The session will cover current research and understanding, diagnostic tools of Autistic Spectrum Condition (ASC) and an opportunity for questions and discussion.

If this is something that is of interest to you, then please join us from 2:30pm to 3:15pm on Wednesday 30th November in the school hall. Tea and coffee will be provided.

No booking required – all welcome - we hope to see you there. 😊
