In Moji-city, the mojis wake up to the news that there will be a new arrival: 'New Mojis Arrive Today!' Monkey moji can't believe his eyes, angry moji is even angrier than usual and happy girl moji waves her hands high in the air.

Happy smile moji decides that it would be a good idea to throw a welcoming party, to welcome the new mojis. Crazy moji thinks this is a great idea so they all start to prepare.

Later that day, the party is ready to begin. The banners are up, the balloons have been blown and the food is all prepared. All of the mojis gather to await their new arrival when all of a sudden, happy smile moji notices that someone is missing.

Sad moji is nowhere to be seen but some clues have been left behind. Can you find and solve the clues to help solve the mystery of who lost the missing moji?
