## Order, order...

Words in a dictionary are arranged in alphabetical order, but thousands of words begin with the same letter – so we use the 2nd, 3rd or 4th letter to choose where to put each one.

▶ Put the following list of words into alphabetical order:

kite	match	mattress	apple	joyful
join	sandwich	kick	kitchen	appear
argue	kind	jam	sausage	

▶ Beside each one, put (in brackets) the abbreviation *v* for a verb, *n* for a noun or *adj* for an adjective.

▶ Finally, write a definition for each of your words. Make it short and clear. Check your definitions in a dictionary.
