

Design a VE Day Medal

This medal celebrated the end of the First World War and was given to soldiers who had fought in active theatres of the war. It was a symbol of **great pride** but its design was also highly **symbolic**.

A rainbow symbolises the calm after the storm.

The years of the First World War – 1914-18

The colours are the combined colours of the Allied nations with red at the centre.

Winged figure is 'Victory'.

Bronze medal, not too expensive after the war, but long lasting.

Your task is to create a medal for British soldiers who served in the Second World War that is just as symbolic and creative.

Your medal can be any shape or size but you must have considered the metal and ribbon choices.

You must include:

- The years of the war (1939-45)
- The colours of the Allies
- A symbol to signify the war and the soldier's sacrifice and victory
- A reference to the many theatres of the fighting (Europe, Africa, Asia, Air, Sea, Land)
- Annotations to explain your choices

VE Day Teacup Design

Victory in Europe (VE) Day took place on 8th May 1945. It marked the end of the Second World War in Europe.

VE Day was commemorated in many ways, including the production of special cups.

- Do you recognise the people on the cup? Who are they?
- Why is there a flag on the cup?
- What do you think the slogan on the cup means?
- Why do you think commemorative cups like this were made?

VE Day Teacup Design

Design your own VE Day cup. Think about your design and make sure it is bright and eye-catching. You could include flags, important buildings or people who were involved in the Second World War.
