

Locate St Lucia

Mark an x where St Lucia is on the world map.

Locate St Lucia

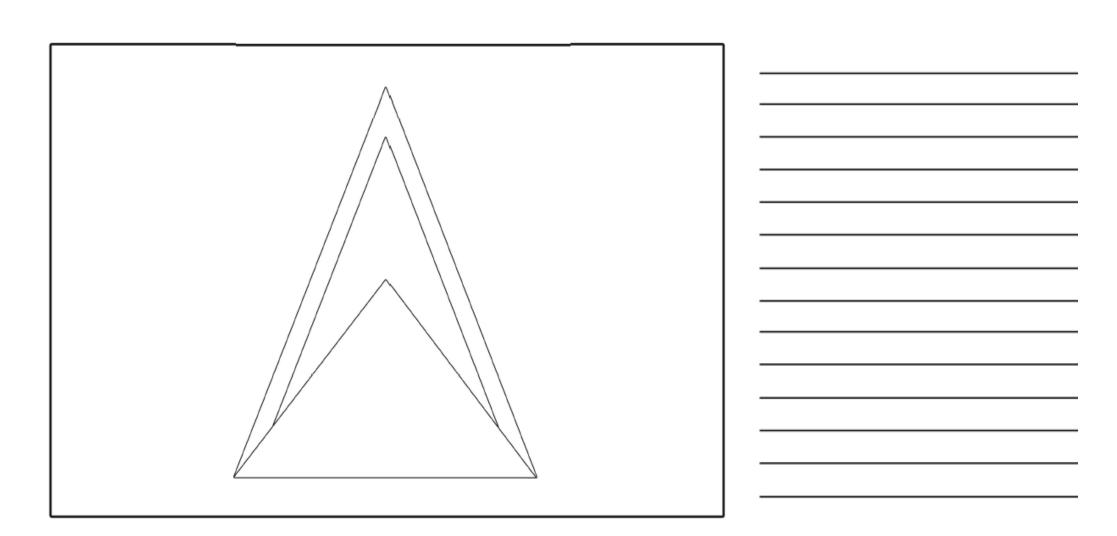

Locate St Lucia and label the island.

Extension:
Label other
nearby islands,
seas and
countries using
an atlas or globe
to help you.

Saint Lucia's Flag

Research the current Saint Lucian flag and colour it in the correct colours. Then, explain what each part of the flag represents.

Design a New Flag

Design a new flag using physical and human features which best represent your country, followed by an explanation of what you've included.
