

Sausages and Beans- 'Insect' version

As before underline the digraphs and trigraphs with a 'sausage' and dot the single phonemes with a 'bean'. Put boxes around the Walter's Words. Read back the sentences when you've finished.

- 1. The garden was full of bugs.*
- 2. They were under the logs and the rocks.*
- 3. Lots of the insects are red and black and green.*
- 4. In the cobweb was a big, black spider.*
- 5. A slug was slithering across the grass.*
- 6. A snail was in his shell.*
- 7. A caterpillar was munching on a flower.*
- 8. I put three ants in a jar. They were running up and down.*

Please feel free to make up your own sentences. Make them easier or more challenging for your child. You could include words with blends and encourage your child to highlight those too e.g. crush, blast.
