

Taking away money

I can recognise the value of coins

I can subtract an amount from a coin

Use a number line to find the answer or put the correct amount of cubes on the coin and take away.

$$- 2p =$$

$$- 4p =$$

$$- 3p =$$

$$- 5p =$$

$$- 8p =$$

$$- 10p =$$

Taking away money

$$- 2p =$$

$$- 4p =$$

$$- 3p =$$

$$- 7p =$$

$$- 11p =$$

$$- 14p =$$

Which is longest/tallest dinosaur?

I can use non-standard measure (e.g. Lego bricks)

I can use the language of measure e.g. longest/shortest/tallest

I can use a ruler to measure
