

Sausages and Beans- 'Dinosaurs' version

As before, underline the digraphs and trigraphs with a 'sausage' and dot the single phonemes with a 'bean'. Put boxes around the Walter's Words. Read back the sentences when you've finished.

1. *In the beginning all the animals were in the sea.*
2. *They went on to the land and got legs and arms.*
3. *Some of the animals like plants. Some like fish.*
4. *Some of the big ones like to catch the little ones.*
5. *There were some lizards with big, sharp teeth like the T-Rex.*
6. *There were some with a long neck like the Diplodocus.*
7. *Some of the animals went in the air too.*
8. *One of the big lizards had a sail on his back.*
9. *Millions of years ago a big rock hit the planet and killed all the animals and it went freezing cold.*
