16th July 2020

Dear Parents and Carers,

Thank you for your patience and understanding while we have been organising our classes for September 2020. Our teachers in Foundation will again be Mr Saxton and Mr Young and we are pleased to inform you that your child will be in **(information given in original letters to individual parents)**.

Meet the Teacher Opportunity

Although we have been unable to provide the usual transition experiences for our new learners, we are delighted to be able to offer a 'Meet the Teacher' session on **Friday 4th September**. This will provide a chance for you to meet the Year F team on our school site. You and your child are invited to join in a 20 minute story telling activity from the class teacher in an outdoor space. Following this, the children only will be invited into the school with their teacher for 25 minutes to take part in a few activities together in their new classroom.

You are welcome to wait for your child in the car park area whilst they are with their teacher. We ask that only one parent accompanies their child to or from the school to help implement appropriate social distancing for all adults and children.

Group 2 – FS and FY 1 st Apr to 31 st August Birthday	11:00 - 11:45am There will be a member of our Year F team to welcome you from 10:55am by the Parent Carpark off Cornelius Drive.
Group 1 – FS and FY 1 st Sept to 31 st March Birthday	1:30pm - 2:15pm There will be a member of our Year F team to welcome you from 1:25pm by the Parent Carpark off Cornelius Drive.

We hope you will all be able to join us on the 4th as this will be a great opportunity for the children to at least have some experience of the school before they start on the 14th September.

Home Visits

Other than this additional 'Meet the Teacher' opportunity, we are planning to go ahead with our induction arrangements as shared in your registration packs. As a result of this year's unsettling events, we feel that our home visits will be even more crucial to the children's transition, allowing them the opportunity to meet their teacher and LSA in a known environment and to ask any questions that they, or you, may have.

The home visits will take place **between Monday 7th and Friday 11th September**; unfortunately, due to the tight schedules for these visits, we are unable to swap or change any dates/times allocated. We will be sending an email to you in the next few days to advise the date and time of your home visit.

We hope you have found the Year F 2020 information on our website useful:

<https://www.queensinclosure.hants.sch.uk/page/?title=Year+F+2020&pid=131> We will include you in our whole school communications regarding our wraparound care, end of term newsletter and general arrangements for the new year, to be sent out before Wednesday 22nd July.

We look forward to welcoming you to Queen's Inclosure Primary School and can't wait to see you all in September.

Yours sincerely

Mrs J Allen
