Dear Parents,

Local Charity Fund Raising

The School Council have organised a Summer Term fund raising day, this time for local charities. Thank you all for contributing to Comic Relief (our international charity) and Cancer Research (our national charity) in the Autumn and Spring Terms.

On **Wednesday, 9th June**, we would like to invite the children to pay £1 and come to school in their **FREE CHOICE of dress-up**. That means they can dress up as anything they like – as long as it is suitable for a day at school. Outfits will need to be warm enough for the classroom, and footwear needs to be suitable for break time and safe in the classroom (trainers, shoes or plimsolls are ideal).

Our local charities are:

- **Naomi House and Jacks Place** <https://www.naomihouse.org.uk/> who support children and young adults with life limiting conditions.
- **Solent Mind** <https://www.solentmind.org.uk/> whose aim is to provide advice, information and support to anyone in the community experiencing a mental health issue.

We hope you can support our last charity fund raising event.

Thank you,

Jack

Mimi

School Council Chair and Secretary
