

Year F

Easter Break Optional Learning

The suggested activities below will help learners consolidate their Year F knowledge and skills. All the areas of learning suggested below have been taught this year or will support learning from this year.

LEARNING SUGGESTIONS

Reading

Please spend **10 minutes** reading each day. Encourage your child to show you the title, a word, a capital letter and different types of punctuation. They can also find Walter's Words in any books that they read or that they share with you.

As well as reading every day, here are some other activities that help develop reading:

1. Practicing sounds each day either before reading or whenever you can.

Follow this link <https://www.youtube.com/watch?v=aUVFIWXofeo>

2. Recognising the different letters in the Walter's Words. Follow these links to find the 'Tricky Word' songs. We often start our Walter's Words sessions with a song.

<https://www.youtube.com/watch?v=TvMyssfAUx0> Phase 2

<https://www.youtube.com/watch?v=R087IYrRpgY> Phase 3

3. These songs support the new Phase 4 Walter's Words

Mental Maths

Children in Year F are expected to know the following maths facts to support their calculating and problem solving.

- Counting to 20. Here is a song to help <https://www.youtube.com/watch?v=MVzXKfr6e8>
- Counting in 2s. Here is a song to help <https://www.youtube.com/watch?v=GvTcpfSnOMQ>
- Recalling 2D shape names. Here is a song to help <https://www.youtube.com/watch?v=WTeqUeif3D0>

Here are some maths games to help with counting:
