

Queen's Inclosure Primary School

CONSENT FORM

VIDEO AND PHOTOGRAPHY

Due to the current restrictions in place due to the current pandemic, and in response to prospective parent's requests for a virtual tour of our school, we have commissioned Bullet Media to create some promotional material using videos and photographs of our staff and children during the school day. The images will be used solely for the promotion of our school and will be publicly available to view on our website.

To comply with data protection legislation, permission is required before images of your child can be taken for this purpose. The information you provide on this form will be securely stored by the school and not used for any other purpose than checking whether or not you consent.

Please indicate with a tick or Yes if you give consent to the following:

Name of child: _____	Class: _____
1. I give consent for Bullet Media to take images of my child, without any reference to name, for the purposes of creating promotional material to be uploaded on to Queen's Inclosure Primary School's website.	
2. I give consent for my child to speak on a recording if the opportunity arises.	

For the purposes of the Data Protection Legislation (General Data Protection Regulation as well as any other laws, regulations, standards and codes relating to data protection), both Bullet Media and QI are data controllers. Your signature acts as consent for Bullet Media and QI to store and use copies of the images for the sole purpose described above.

I understand that images on websites can be viewed throughout the world and not just in the United Kingdom and that some overseas countries may not provide the same level of protection to the rights of individuals as EU/UK legislation provides. I understand that some images or recordings may be kept permanently once they are published and be kept as an archive of school life. Queen's Inclosure Primary School is committed to processing information in accordance with the General Data Protection Regulation. The personal data collected on this form will be held securely and will only be used for administrative purposes. You can ask the school to stop using your images at any time, in which case it will not be used in future publications but may continue to appear in publications already in circulation. If you have concerns about the use of your child's image, this should be raised with the school's Data Protection Officer adminoffice@queensinclosure.hants.sch.uk.

We will only use identifiable images of children for whom we have received consent for.
